In memoriam: Henry Fischbach

With regret the FIT Council announces the death of Henry Fischbach. A co-founder, Charter Member and Honorary Member of the American Translators Association (ATA), Henry Fischbach was an active representative of his association in international circles. He served on the FIT Council for the period 1966–1970, was elected Vice President of FIT in 1970 and 1974, and served a final term on the FIT Council from 1977 to 1981. In addition, Fischbach acted as Chairman of the FIT Technical and Scientific Translators Committee. The FIT Council honours his memory and his contribution to the profession, and extends sincere condolences to his family and friends.
